Posh monthly helpful tips

The Organic Double Cleanse Campaign

- *If your skin is not properly clean the rest of your skincare routine is a waste of time.
- *Banish those facial wipes, in the words of Jenny Posh 'clean your toilet with them'.
- *Facial wash, cleanser, and balms all do the same job and clean the skin thoroughly.
- *Pop into Posh and speak to one of our skincare experts.

Posh Product of the month
